

An aerial photograph of the Phoenix Sky Harbor International Airport. The image shows the main terminal building in the center, with several runways and taxiways extending horizontally across the frame. Three thick pink lines are drawn horizontally across the image, one above the terminal, one through the terminal, and one below it. Several small blue squares are placed at various locations: two on the top pink line, one on the left side of the terminal, one on the terminal itself, one on the right side of the terminal, one on the bottom pink line, and one on the far left. A red pushpin icon is located in the bottom left corner. The text 'Phoenix Sky Harbor International' is overlaid on the right side of the terminal building.
